 I interned in sumago infotech pvt Ltd company in nashik for 1.5 months and learned many valuable skills and lessons. I learnt full stack development in python, I also worked on long-term tasks such as Python, HTML, CSS, BOOTSTRAP, JAVASCRIPT, JQUERY, DJANGO courses and this course helped promote the improvement of my skills preserve. This institute helped me a lot to solving my queries/problem. We really enjoyed the internship on this company.  
 Thank you sumago for giving me a lot of knowledge and memorable memories.... ❤️❤️😊  
 Thank you...

 Best experience I have got ...and best teachers I could have ever got....They also showed us how IT company works actually...by taking fun activities and daily teachings....I have learnt new new things from Harshal sir and Sonali mam and got new ideas from everyone....and also they taught how to become team leader and how to cooperation with teammates....It was a fun and a good learning experience. The staff from SUMAGO were so nice and caring and also helped adapt to being a independent . They offered helpful advice and good suggestions on how to get job and other life changing tips ..It was comfortable to ask them for any help if needed...

 I had the privilege of completing my internship at Sumago Infotech, and I must say, it was an exceptional learning journey that has undoubtedly shaped my career in the best possible way. As I move forward in my professional life as position IT Engineer at SAGL Group Pvt.Ltd Sinnar , I'd like to take a moment to reflect on the invaluable experience I gained during my time at Sumago. The skills, knowledge, and confidence I gained during my internship have undoubtedly positioned me for success in my career.
